

Christophe Berbec

Interaction Designer (IxD)

EXPERIENCE

Freelance Interaction/UI/UX Design Advisor

2022 - Present, Luxembourg

Sporadic Freelance Interaction Design and UI/UX consulting for small company websites. Collaborated with a small business of independent web programmers based in Brussels.

Freelance Graphic Designer

Agence d'Architecture Stan Berbec

2018 - Present, Luxembourg

Created 2D and 3D visualisations of housing development projects and private residences. Collaborated with architects and stakeholders to deliver designs aligned with project goals and requirements. Modified architectural plans and conducted site visits to ensure project accuracy.

Event Organiser

AltéNatives

2021 - 2023, Copenhagen

Curated Afrocentric cultural events, including interactive jam sessions, a music festival in a city park, community forums, and panel discussions. Built inclusive spaces for dialogue and creative expression among diverse audiences. Managed event planning, logistics, and stakeholder engagement to deliver successful programs.

Short-term contract work in unrelated fields: Special-needs caregiver, guitarist, sound tech, guitar tech, indoor & outdoor construction worker, mechanic, bartender, waiter.
